

## About Gensler

### Overview

Gensler is a global architecture, design, and planning firm with 48 locations and more than 6,000 professionals networked across Asia, Europe, Australia, the Middle East, and the Americas. Founded in 1965, the firm serves more than 3,500 active clients in virtually every industry. Gensler designers strive to make the places people live, work, and play more inspiring, more resilient, and more impactful.
